Rehearsal Etiquette Reminders

- No photos while musicians are on stage, please remain seated throughout the first half of the rehearsal—there will be a break around 1 hour 15 minutes into the rehearsal. Guests that need to leave must be re-seated in the back of the hall.
- No food, cameras, or loud noises.
- Guests must remain on orchestra level.
- Guests should be seated in row A and back (by the railings that lead to doors 1 & 4); in order to minimize distractions for the conductor and musicians during a working rehearsal, some space must be left between the orchestra and the audience.
- Rehearsal begins promptly at the posted time. Latecomers must wait until there is a pause in the rehearsal to be seated, and then should be seated in the back so as not to disturb the conductor and musicians.
