Curb Open Dress Rehearsal: Frequently Asked Questions

How much do the *Curb Open Dress Rehearsals* cost to attend?

This program is FREE for students 10 and older and \$10 for **all adults** – including chaperones and teachers. College students must attend as a class or group—individual students interested in attending a classical concert can purchase \$10 tickets through [Soundcheck](#).

Tickets are FREE for senior citizen groups through our *Lifelong Listeners* program.

Can I purchase my ticket the day of the rehearsal?

No, tickets will not be sold on the day of the rehearsal. Due to safety concerns, the deadline to add tickets to your reservation is TWO WEEKS before the rehearsal.

Will I receive a printed ticket?

You will not be able to print tickets in advance—adults will be given entry badges upon arrival, and students will not need tickets or badges. Please note that every adult must have an entry badge to enter the building. Any adult who has not reserved and paid for their seat through the school in advance of the concert will not be admitted—again, this is a strict security policy.

How long is a dress rehearsal?

The first half of dress rehearsals typically last from 10:00AM to 11:30AM, at which time there is a break. The full rehearsal will end by 12:30PM at the latest. Groups cannot leave the hall while the orchestra is rehearsing, but are welcome to leave at the break.

Can my students eat a bagged lunch somewhere on-site?

Unfortunately, we do not have the capacity for students to each lunch inside or outside the building.

I am bringing a bus (or two or three, etc). Where do I park?

School buses will be able to park and unload on One Symphony Place. Please make sure you have informed us of the number of buses you are bringing *before* the rehearsal— due to limited bus parking, additional buses can cause significant delays in the unloading process. You can find more information on bus directions and parking [here](#).

I will be bringing private vehicles. Where do I park?

There are many options for parking around downtown, including a Premier Parking lot directly in front of the Schermerhorn Symphony Center. You can find most of the downtown options on [this site](#).

Can my students bring cameras?

Cameras and phones must be turned off in Laura Turner Hall.

We're a home school family, with children of all ages. Can I bring everyone to a *Curb Open Dress Rehearsal*?

In order to minimize distractions, groups with students under the age of 10 will be turned away from our Curb Open Dress Rehearsals. We encourage groups with young children to attend our [Family Concert Series](#) or our [Young People's Concerts](#).
