

# NASHVILLE SYMPHONY LEGACY SOCIETY

LEAVING A LEGACY, BUILDING A FUTURE

The Nashville Symphony is grateful to those donors who have remembered the orchestra in their estate plans. Legacy gifts to the Nashville Symphony help Middle Tennessee's resident orchestra achieve its mission of making beautiful music, reaching diverse audiences and improving life in our community for generations to come through the following:

- World-class performances of enduring orchestral music, from Bach to Beethoven to Bernstein
- Affordable ticket prices for music lovers of all ages and backgrounds
- Commissions and recordings of America's leading composers, who are keeping classical music relevant for 21st-century audiences
- Life-changing education programs that provide inspiration, instruction and mentorship for students from kindergarten through high school
- The acoustical brilliance of Schermerhorn Symphony Center, a venue built to serve the entire community

Be "instrumental" in our success by sharing your passion for music with future generations. For more information on the many creative ways to make a planned gift, please visit [NashvilleSymphony.org/plannedgiving](http://NashvilleSymphony.org/plannedgiving) or call Andrew Shafer at 615.687.6484.
